"The Art & Smart Kid"

PROMOTING INDIVIDUALITY AND EXPRESSION THROUGH ART

This years' German ISD's Summer school is dedicated to art, with a belief in the balance of fun and creativity by following the method of immersion while learning German at a fun place to be and spend the summer months of June and July, taught by our native German teachers!
Through a variety of offerings, German ISD's staff will provide the resources for kids to bring out their inner artist!

Students will be grouped age-appropriate: Pre-S & Pre-K, Kindergarten and Lower Elementary.
While our younger students will enjoy simply art techniques, basic rhythm, dance, rhymes and songs. Our older school students will explore creative writing, dance, drama, music, visual art(ists), and percussion through daily classes.
We include daily outdoor playtime with unique activities and group projects.
There will be a variety of techniques: Writing, improvisation, games, movement, music, text, voice and sound - to create and adapt and work with German material, music, and literacy.
