## Mission and Philosophy

The mission of the German International School of Dallas is to provide enrolled children in **Pre-S/Pre-K classes (ages 18 months to 5 years)** with an environment in which they will experience loving care, receive a child-centered education, and obtain German language skills following a **German immersion program**.

Students in the **lower elementary classes (ages 6 to 10 years)** curriculum combine the active acquisition of knowledge and competencies. The educational mission of the primary school curriculum contains all subject profiles. With native-speaking educators, the unique curriculum provides a range of benefits above and beyond traditional school programs. It entails academic concepts such as reading and writing, literacy, acquisition as well as mathematical skills, science, movement, and artistic and musical activities. The main goal is for all students to develop the essential skills to build the foundation for life-long learning with positive social and emotional experiences.

German ISD strives to provide excellent conditions that increase the chances of acquiring a language in an effortless, child-friendly environment while inspiring and supporting student success.

***Mission of German ISD: German ISD offers a learning environment focused on the innovative development of the whole child from ages 18 months through lower elementary. Through complete German language immersion and acquisition, we foster independence, nurture practical life skills, emotional and social development, and create foundational learning experiences. Our classrooms provide a knowledge-rich environment designed for child-led and play-based exploration."***

German ISD focuses on learning through child-directed curriculum and play. We believe the balance of learning and play enhances a child's growth – physically, socially, emotionally, creatively, and intellectually.

### **Nondiscriminatory policy**

German ISD does not discriminate on the basis of gender, race, color, religion, or national or ethnic origin in admittance, education or other policies and extends to all the rights, privileges, programs and activities generally made available to students at German ISD.

### **Scope and operating hours**

German ISD is a German Immersion School, with all classes, activities, and work sessions instructed in the German language. Information will be made available in English for parents and/or guardians who do not speak German.

Classes are available to children ages 18 months to 10 years, Monday through Friday, from the middle of August through the end of June.

Children from 18 months to 2 ½ years can attend for a minimum of two days and a maximum of five days a week. Subject to availability, during the school year, you may add (or decrease) the number of days in your child's schedule. Any decrease in the number of days your child attends school is subject to the school director's approval and requires four weeks prior written notice. In no event, will a child be permitted to attend less than two days/week.

Pre-S classes Elephants, Giraffes and Penguins follow a 5-day schedule with a daily attendance from Monday to Friday, as well as Pre-K students (Lions, ages four and five) with a five days per week attendance policy.

German ISD offers afternoon care from 3 pm to 6 pm every school day. Children must be pre-registered for the afternoon program. In exceptional cases, we allow afternoon drop-ins after prior discussion with and approval by the school director. Early drop-off begins daily at 7:30 am and needs to be pre-registered.

### **Curriculum**

German ISD teachers utilize age-appropriate curriculum for all their students. Our programs focus on a variety of developmental areas to enhance growth and learning by offering a wide selection of topics and group activities. Children are involved in hands-on experiences, real-life adventures, and assisted discovery as they explore concepts through play. German ISD is a place where essential skills are nurtured through play, observations, learning sessions, and of course, fun! At German ISD, our students learn both from and with each other.

## **Full German Immersion Classes**

**“Koala” class:** starting 18 months to 2 ½ years of age, with the chance to extend the time at this toddler class if recommended by the teacher and/or administration.

*Based on the Berliner Eingewöhnungsmodell from Germany:*  
**Acclimation Phase** (extra hand out with more information)

We ask our parents to support the process of our youngest students' (Koalas) acclimation at German ISD for the first two weeks in the classroom!

Age: 18 months to 2 ½ years (or older if recommended by the teacher).

Fundamental for this model is the unique binding relationship of the child to his/her parents. With the parents' presence and active involvement in the classroom setting, we are aiming for each child to adjust faster to the school environment and to build a strong relationship to the new teacher.

**“Elefanten,” “Giraffen,” & “Pinguine” Classes:** starting 2 ½ years to 4 years  
5-days a week

All Pre-S classes follow a daily routine and meet on a daily basis from Monday through Friday.

Every day begins with a morning circle, followed by two theme-focused work sessions, free playtime, and outdoor time together.

**Pre-School Programs** (all developed and successfully taught in Germany)

- „Das bin ich“ (Linguale program)
- “Entenland” (Early Arithmetic program)
- “Logico” (Cognitive & Language Skills)
- “Affe Bod klatscht im Takt“ (Sep. 2019, Music and Rhythm program)

**Pre-K “Löwen” Classes:** 4 to 5 years

The two Lion classes meet five days a week, with the emphasis on preparing the children for Kindergarten and Elementary School. The selection of German ISD's early arithmetic, language, and writing programs are included in the weekly lesson plans for our students' success and accomplishment.

**Pre-K Programs** (all developed and successfully taught in Germany)

- “Wuppis Abenteuer Reise” (Sep. 2019, German phonological language program)
- “Forschen mit Fred” (Science Program)
- “Zahlenland” (Early Math Program)
- “Würzburger Sprachprogramm” (Phonological program)

- “BuchStaLa” (End of the school year, May 2020, Alphabet program)
- “Music & Instruments” with Dr. Dedrick (Music program)
- “Yoga” with Eva Rosenkranz (Sep. 2019)

**Curriculum:** All classes incorporate the German “**Bayerische Bildungs- und Erziehungsplan für Kinder in Tageseinrichtungen.**” Visit here for more details: <http://www.ifp.bayern.de/imperia/md/content/stmas/ifp/bildungsplan.pdf>

## Kindergarten & Lower Elementary Classes

### The Educational Concept

*LehrplanPLUS: Lehrplan für die Bayerische Grundschule.*

<https://www.lehrplanplus.bayern.de/schulart/grundschule>

German ISD's curriculum is designed for children to achieve maximum growth; It complements the full immersion approach of German ISD Preschool and Pre-K classes with a full **German curriculum for children ages 5 to 10 years. The curriculum is designed for students with German as either a first or second language.**

It entails academic concepts such as **literacy, science, mathematics, movement, artistic, and musical activities.** Our goal is for children to develop the essential skills that build the foundation for lifelong learning within positive social and emotional experiences. The program facilitates learning using children's natural curiosity, imagination, and critical thinking skills.

### Afternoon Program

German ISD offers various enrichment programs during the afternoon every day of the week from 3 pm to 6 pm.

Spanish, Arts & Crafts, and Music are German ISD-produced programs and free of charge for all children enrolled in our general afternoon care program, for \$60 per day a month. Yoga, Piano, and the German Enrichment class are fee-based programs and require a separate sign up and payment. German ISD students who aren't enrolled in the afternoon care can sign up for the enrichment classes at the cost of \$60 per month. Registration is on a semester basis. German ISD accepts extern students for a charge of \$120 per afternoon or class a month, and reserves the right to terminate if a spot is needed for a currently enrolled German ISD student at any time. Current German ISD students have priority of enrollment for the additional afternoon program.

### Enrollment Procedures

Prior to your child's enrollment, the following must be submitted: (1) all required German ISD paperwork, (2) a copy of your child's immunization records or the original affidavit, (3) a physician statement indicating your child has been examined within the last year and is physically able to participate in the program, (4) a non-refundable \$150 application fee, and (5) a non-refundable tuition deposit of \$500 to reserve your child's seat (which deposit will be applied to the May tuition payment). Enrollment for the fall term begins the prior spring, and continues throughout the year as space becomes available. A separate supply fee may also be assessed during the school year if costs for special student projects are not already covered by the monthly tuition.

**Lower Elementary Application Fee**

Non-refundable \$1000, (\$750 credited towards the tuition payment, \$250 Enrollment Fee), *Supply costs will be charged in addition.*

**Waiting List Process**

If no openings are immediately available, a spot may be reserved on our waiting list, subject to receipt of completed application documents and a \$150 non-refundable fee. German ISD cannot guarantee enrollment.

**School Year Schedule**

The German ISD school year operates from the middle of August until the end of May. Monthly tuition is pro-rated and required in advance on a monthly basis, due by the 10th of each month. Tuition is non-refundable. A late charge of \$10 will be added to an unscheduled late payment received after the 13<sup>th</sup> of the month for EACH day. Please make checks payable to "German International School of Dallas." Online payment is also available.

Admission may be denied if your payment is 30 days past due and no previous arrangements have been made with the school director.

No make-up days are offered due to missed days as a result of illness, vacations, holidays, etc.

**Pre-School Attendance**

Regular attendance is crucial to a child's adjustment to school and to language proficiency. Punctuality ensures your child does not miss out on any activities or disturb ongoing activities. Children develop friendships and teacher relationships, gaining greater benefits from the curriculum when they can attend our programs on time and as consistently as possible.

Children may be dropped off beginning at 8:45 am. If you arrive after 9 am during our morning circle time, please enter quietly and wait until the teacher welcomes your child, so as not to disturb the other children. All children must be accompanied into the classroom (please do not leave your child in the hall).

Our entrance will remain closed after 9:00 am!

**Lower Elementary Attendance**

Students enrolled in Elementary classes are required to attend school from Monday to Friday, 8 am to 3 pm. All classes start promptly at 8 am, and your child receives the maximum benefit of education by being in school every day. Because attendance is so critical for the quality of your child's education, Texas has a compulsory attendance law. Texas state law requires children ages 6–19 to attend school each day that instruction is given. German ISD will excuse an absence for reasons including healthcare appointments. Texas attendance regulation requires students to be in class at least 90% of the time to receive credit for that class. Communicate with teachers and the director about your child's absences before your child goes below the 90% attendance mark. If you start planning early to make up work, it will be easier for your child to receive credit for their classes.

### **Daily drop-off and pick-up procedure**

Early bird drop-off is available daily from 7:30 to 8:45 am (fees on page 7). All students meet at the Giraffe's classroom during this time.

Drop-off time is from 8:45 am to 9 am in each of our classrooms.

Starting August 2019, our entrance will remain closed after 9 am.

**Each Class begins at 9 am**, and the children should be accompanied to the classrooms of German ISD by a parent or designated adult. Children may not be left in the classroom unless there is a teacher present. Do not drop off your child outside and let him/her go into the school by him/herself. Please accompany your child into the classroom.

**Lower Elementary classes start at 8 am** and are scheduled until 3 pm daily. Students enrolled in Elementary classes are required to attend on a daily basis. Pick-up time is 3 pm, and please pick up your child promptly. A late pick-up fee will be charged.

Pick-up time is from 2:30 pm to 3 pm. Please pick up your child promptly, no later than 3 pm, and leave the building after you have picked up your child from class. This will ensure a prompt start of our afternoon classes and will help our staff follow their schedule. A late pick-up fee will be charged for any late pick-up after 3 pm. The children will wait in the office or program only. A parent or designated adult must be present to pick up the child. German ISD is not responsible for any late pick-up after 3 pm. The entrance will remain closed during nap time between 12:30 pm and 2:30 pm!

If your child need to be picked up by anyone other than persons stated on your registration forms, please notify German ISD in writing. Please notify the person that they must present his or her driver's license before the child will be released to him or her. *Each guardian/parent is fully responsible for the actions and interactions with their child when they are present in-person at the building. This includes, but is not limited to: drop-off/pick-up time, German ISD's events and parties.*

### **Late Pick-up Fee**

Pick-up time is from 2:30 to 3 pm. A fee of \$10 will be charged for all late pick-ups, starting with the first minute after 3 pm regardless of a phone call for notification of late pick-up. Every consecutive minute will be charged with \$1. This rule also applies to a late pick-up at 6 pm.

### **Extended Leave**

If your child will not be able to participate for more than four weeks, and advanced notice is provided, you will receive a 50% discount for the weeks in which your child was not in attendance, applied to the following school year. The discount is based on the current monthly fee of your enrollment plan. The monthly fee must be paid by the 10th of every month, regardless of attendance status.

### **Withdrawal**

If withdrawing from German ISD, a minimum of four weeks written notice is required prior to the last day of attendance, except in the event of serious illness or accident (provided written notice is submitted from a physician licensed in the State of Texas). Without such prior notice, the balance of the tuition for the school year remains due and payable (and the tuition deposit is non-refundable).

### **Termination Policy**

German ISD reserves the right in its sole discretion to terminate enrollment at any time when it is in the best interest of the program. The following actions are examples for a termination of school attendance:

- If an attending child could harm the wellbeing of other children (resulting in extreme workload for the staff)
- If school activities could possibly be disturbed by strong external factors (custody fights, for examples)
- In case of significant economic risks (if actions of parents harm the economical basis of the school)
- In case of significant organizational risks (resulting in enduring disruption of school classes)
- In case of material misrepresentations in the application process (if, for example, significant behavioral issues were not disclosed upfront)
- In case of personal threats by parents against German ISD staff
- In sustained cases, in which it has not been possible to establish a trusting and meaningful relationship between teachers and parents
- Continued violation of rules and regulations at the school grounds, and refusal to adhere to these in spite of repeated staff requests

This list of examples is not exhaustive or final, and is subject to change, but actions of similar effect or significance will be grounds for a termination of school attendance.

### **Confidentiality Policy**

German ISD staff may access, without parent/guardian consent, "directory" information such as parent and student's names, address, email, telephone number, and dates of attendance. Under the laws of the State of Texas, if you would prefer to opt-out of any disclosures, within ten days from the date of enrollment, you may request German ISD to not disclose forwarding any directory information about your child or family. German ISD policy prohibits disclosing directory information about other students or families to third parties without the prior consent of the applicable students or families.

German ISD will disclose personally identifiable information when required by law, or if in good faith, we believe such action is necessary to (a) comply with any judicial proceeding, court order, or other legal process, (b) protect and defend German ISD, or (c) protect the rights, property, and interests of our staff and students.

German ISD's intent is to take commercially reasonable and appropriate steps to protect the personal information you share with us.

### **Preparing for the school day**

Children must attend school in clothing they can easily take on and off themselves. This is essential for your child's comfort and independence, while ensuring he or she is able to stay clean and go to the restroom with minimal assistance from the caregiver (if already potty trained). All shoes and clothing, including a change of clothes, must be labeled. Please dress your child in weather-appropriate clothes (e.g. raincoats, rain boots, etc.). Your child should bring at least two complete, labeled changes of clothing to school in a tote bag or backpack. Children will play outside in various weather conditions, so a change of clothing for all types of weather will allow your child to participate in all activities. To climb safely, run quickly, and have fun, your child must always wear shoes that fit well and securely grip the ground. Children may only wear closed toe shoes. No flip-flops allowed!

Please bring a labeled water bottle for your child every day, containing only water (no juice or other beverages, please). Take it home daily to clean and return it with fresh water the following day.

For younger children who take naps at school, please bring a blanket, pillow, and sheet. Clothing and bedding must be taken home at the end of each week for washing. If your child is not potty-trained, diapers and wipes must be provided.

Please do not allow your child to bring toys from home. (German ISD has an assortment of toys available for the children to share). Exceptions are made for a labeled stuffed animal for naptime, or a toy for show and tell.

### **Inclement Weather**

The decision to close, have a late start, or an early release due to inclement weather will be based on the Carrollton/Farmers Branch ISD inclement weather procedures. Information regarding inclement weather days in Carrollton/Farmers Branch ISD can be found at the link below. In the event of a closing, late start, or early release, German ISD will inform all families via email as soon as possible. <http://www.cfbisd.edu>

### **Social Networking / Phone Calls**

Employees of German ISD are prohibited from participating in social networking with parents and children of the school. This includes—but is not limited to—Facebook, Twitter, LinkedIn, and Instagram.

Any phone calls to the school regarding your child can be made during our teachers' work hours. Please call the school phone at 214-507-0130.

### **Provision of Service**

German ISD has the right to refuse service to any person and/or family for any reason, subject to applicable law.

### **Custody Situations**

If divorced or separated parents share custody, every effort will be made to see that both parents receive communication from German ISD. If one of the parents has restricted access with respect to custody or visitation, possibly affecting German ISD's arrangements, please provide a certified copy of the custody/visitation arrangements to the office. The school will not participate in custody disputes in any manner (except as set forth immediately below and as per applicable law). Please do not ask the staff, teachers, or the Director to document and/or discuss any actions or behavior of another parent.

Please note: per the laws of the State of Texas, in the absence of a court order, German ISD will provide information to both parents and will not restrict access to information or a child.

### **Communication with Parents**

The school shall communicate with both parents of the child, unless otherwise instructed by a court decree.

### **Conferences**

German ISD reserves several weeks of the school year for parent-teacher conferences (see school calendar). The school director may require a conference to address any topics necessary to ensure an appropriate school environment or experience. If you desire an additional conference with your child's teacher or with the school director, please call the school. Please keep in mind that pick-up and drop-off can be hectic periods and are not generally available for conferences. Communication between teachers and parents is critical to a child's success. Accordingly, German ISD is committed to encouraging such communication, and parents may be requested to acknowledge that these communications have taken place.

### **Parent Participation**

Parents are welcome to spend time in the classroom, visit for lunch, or share special talents they have with students (e.g. crafts, dance lessons, yoga, singing, career, etc.). Parents are always welcome to visit with no notice required, but may want to notify the

## Policies for German International School of Dallas

teachers when they plan to visit, so that the child and the group's schedule can be prepared. Extra visits during your child's first few weeks may make it more difficult for him/her to settle and adjust. Please discuss any concerns you may have with the teachers.

### **Elternbeirat**, first established October 2018

The Elternbeirat (also known as the PTA: Parent Teacher Association) plays a vital role in German ISD's community-building efforts and educational objectives. It is the joint mission of the school and the Elternbeirat to build a responsible, global-minded community and ignite the "spark of genius" in every child. Being a parent of German ISD makes you already a member of the Elternbeirat.

### Elternbeirat Purpose & Support

- To actively encourage parents in supporting the conscientious fulfillment of school duties and requirements
- To encourage parental involvement at German ISD
- To advocate for children, families, and teachers within the community
- To partner with German ISD administration and teachers as an advocate and resource for our school
- To promote advertising German ISD within the community
- To develop, promote, and participate in fundraising events
- To strengthen the family through school and community partnerships
- To assist with the organization of school events
- To sponsor family-oriented events and activities
- To raise awareness of issues affecting children inside and outside our community
- To encourage the exchange of ideas and thoughts by connecting with staff and other parents

*Please follow the link to read the Elternbeirat guidelines 2019/20*

### **Volunteering**

The success and growth of German ISD rests heavily on the support and dedication of parents and volunteers, supported by adults who volunteer their time by attending school- and Elternbeirat events, as well as supporting our staff.

Since January 2019, the Elternbeirat has coordinated German ISD volunteers and hours. There is a list with plenty of opportunities for you to volunteer with a requirement of 10 hours per semester and child.

The Elternbeirat will share the all the volunteer opportunities for each new academic school year, beginning in August.

Families who will provide their own lunch and bring it daily from at home will be offered a 50% discount of their volunteer hours.

### **Parent Responsibility**

- Please communicate any concerns regarding our program or your child to the administration and staff immediately.
- Pick up and read the notices and information left for you in your child's folder.
- Pick up your child's papers/projects daily. Their work is very important to them and provides another means of communication between you and your child.
- Be aware of our school's opening and closing hours and program schedule.
- Parents are fully responsible for any and all of their child's actions while they are present.

### **Staff hired by parents**

We strongly discourage our employees from making independent childcare arrangements with families from German ISD. However, in the event that you enter into an agreement with a German ISD employee to babysit for your family outside of the employee's normal work hours and/or school hours, the agreement must be handled outside of school hours and not at the school, with the full knowledge and understanding that the babysitter enters into such an agreement as a private citizen and not as a German ISD employee. We cannot be responsible for actions taken by German ISD employees outside of their role at the school and/or outside their school working hours. German ISD is not liable for their acts or omissions when not on our property (including the transportation of children).

Prior to engaging German ISD staff for childcare, the parent or guardian must sign a waiver form, entitled "Waiver and Release for the German ISD Staff Babysitting." Failure to sign the required waiver form or to otherwise comply with this policy could result in your child or children being terminated from continued enrollment at German ISD. A copy of the waiver form can be obtained in the office and will be available to sign prior to each new registration or reenrollment. Please be aware that our staff cannot babysit for you during a time they are supposed to be working at German ISD.

### **Wellness Information**

Children must be healthy in order to attend school. If your child is sick, they must stay at home to fully recover. We depend on our parents to help us maintain this policy in order to curb the spread of illness at German ISD. If your child becomes ill while at school, you will be called immediately and asked to pick your child up promptly. Your child will be made as comfortable as possible until you arrive. Please ensure your current phone numbers are on file in the office, and any emergency contact is available to pick up your child promptly. If there are changes to your emergency contact information, please notify the office promptly in writing.

Parents will be notified when a child has been exposed to a communicable disease at German ISD. If you know your child has been exposed to any contagious disease, please notify the office immediately. In the case of head lice, pinkeye, or other highly contagious conditions, your child must receive proper treatment and stay home for at least three days (or longer, if symptoms remain present).

Children will be sent home from school with any of the listed symptoms below and are **not eligible to return to class the next day (24-hour policy)**. This policy is for the protection of both your child and staff. German ISD will provide a Health Parent Notification which will be sent home with the parent. In the case of communicable disease, proper physician documentation may be required for the student to re-enter German ISD. This procedure will ensure that no child will be exposed to other illnesses while their immunities are down and will not be contaminating other students with their current illness.

### **Some of the common conditions for which a child will be sent home are as follows:**

1. *Temperature* - A child will be sent home if he/she has a temperature of 101 degrees or higher. The child must be fever-free for at least 24 hours without the use of acetaminophen (Tylenol) or ibuprofen (Motrin or Advil) before returning to school.
2. *Diarrhea* - A child who has more than one instance of diarrhea (watery stools) will be sent home. Diarrhea is usually caused by viral infections, however, bacteria and parasites (Giardia) may be the cause. If your child

## Policies for German International School of Dallas

has an allergy or condition that regularly causes diarrhea, please alert the staff about this during orientation. The child must be diarrhea-free for at least 24 hours before returning to the center. In cases of highly contagious stomach and intestinal illness (such as Norovirus), the return date may be delayed to ensure the health and wellness of your child and other children in the program.

3. *Vomiting* - A child who is vomiting will be sent home and should remain home until vomiting has stopped. Most vomiting is caused by infection. Stomach viruses are highly contagious and can spread through the center very rapidly. The child must not have vomited for at least 24 hours before returning to the center. In cases of highly contagious stomach and intestinal illness (such as Norovirus), the return date may be delayed to ensure the health and wellness of your child and other children in the program.
4. *Impetigo* - This skin infection is characterized by crusted sores, which may appear anywhere, but usually initially in the facial area. When prescribed by a physician, children with this condition must have taken the prescribed antibiotics for at least 24 hours and all lesions should be dry before returning to school.
5. *Conjunctivitis* - This is a contagious infection of the eye characterized by redness and tearing, a yellow discharge from eyes, or eyelashes stuck together. When prescribed by a physician, children with this condition must have taken the prescribed antibiotics for at least 24 hours before returning to school and all discharge must be gone.
6. *Strep Throat* – This is characterized by swollen neck glands, a sore throat, and high temperature. When prescribed by a physician, children with this condition must take the prescribed antibiotics for at least 24 hours before returning school.
7. *Scarlet Fever* – This entails strep throat with a red rash and a sandpaper feeling. Your physician should be consulted as to when your child should return to school.
8. *Chicken Pox* - Children can attend school after exposure or during the incubation period (11-20 days after contact). Your physician is the best person to consult if there are any doubts concerning your child's contagiousness during this illness. Please notify German ISD if you suspect your child has been exposed to chickenpox, so that we may notify other parents.
9. *Ear Infections (Otitis Media)* - Ear infections are extremely common. When prescribed by a physician, children with this condition must take the prescribed antibiotics for at least 24 hours before returning to school.
10. *Respiratory Infections* - Very common and usually caused by viruses, it is advised that your child remains at home. If fever is associated with the infection, your child must be fever-free for 24 hours without the use of acetaminophen (Tylenol) and/or ibuprofen (Motrin or Advil) before returning to school.
11. *Head Lice* - Characterized by a very itchy scalp and nits (white eggs) that resemble dandruff, they are not easily removed from hair. Children may return to school after one head lice treatment (please provide document of treatment when returning to school).

12. *Scabies* – Caused by a mite, this shows as an incredibly itchy rash between fingers, on wrists, under arms, at the belt line, and in infants on the head, neck, palms and soles. The child may return to the center after one treatment.
13. *Hand-Foot-Mouth Disease* - Caused by a viral infection, it is characterized by small ulcers in the mouth with blisters on hands and, in some cases, near the genitalia and on the buttocks. The child is contagious until the fever is gone (typically 3-4 days) and must be fever-free for 24 hours without the use of acetaminophen (Tylenol) and/or ibuprofen (Motrin or Advil) before returning to school.

If a child is ill with a contagious disease (i.e., chickenpox, etc.), parents are encouraged to let the staff know so that other parents at the center may be informed. In cases of highly contagious illnesses, your child's return date to German ISD may be prolonged to ensure the health and wellness for the program.

### **Immunization/ Medical Exam Requirements**

The laws of the State of Texas require the following immunizations for all enrolled children: DTaP, MMR, OPV, Hib, Hepatitis A, Hepatitis B, PCV7, and Varicella. Any updates to your child's immunizations must be provided to German ISD within ten days of the date of any newly administered immunizations. In addition, all students must have on file a current physician statement indicating they have been examined within the last year and are physically able to take part in our program. Each child must also have a completed emergency treatment authorization as well as at least two emergency contacts different from direct parents and guardians on file.

### **Affidavit**

If you have elected to not have your child vaccinated, the original signed and notarized State of Texas affidavit must be provided to German ISD prior to enrollment.

### **Vision and Hearing Screenings**

All children who are **four years** of age or older must be screened by the child's physician for vision and hearing during the school year. Results of all screenings must be turned in the office to keep on file.

### **Medications and First Aid**

German ISD does not make any medication available for use by students, and will not administer any medications to children, with the exception of prescription medications for chronic conditions (after discussion with the child's parents/guardians). All medications must be kept in the office in the original packaging and must be labeled with the child's name, the prescribing physician's name, the expiration date, and directions for administering. Please do not place medication in your child's backpack. Parents must also sign the Medication Log in the office authorizing the staff to administer the medicine for each school day that the medication is to be administered. All staff members and caregivers (including substitute caregivers) are certified in CPR and First Aid. In the event of an injury while at school before the child is picked up, caregivers will clean wounds and apply band aids/bandages to keep the area clean. If needed, ice packs will be applied to reduce swelling. In case of a life-threatening emergency, German ISD will call 911 and First Aid will be applied.

### **Procedures for Handling Emergencies**

In case of minor injury or accident, the staff will administer basic First Aid. All injuries or illnesses not requiring immediate parental notification will be documented and reported to parents/guardians when the child is picked up at the end of the day.

In case of medical injury or illness requiring immediate emergency professional care, German ISD staff will call 911 and as appropriate, German ISD staff will administer CPR or First Aid measures. Parents/guardians will be notified immediately. If parents are unavailable, designated emergency contacts will be notified by phone. All students must have an emergency medical release form on file in case of such an emergency.

### **Incident Reports**

Incident or Accident reports are completed any time a child receives a bump, scrape, bite, bruise, or any head injury while attending German ISD. We also document in an incident report any physical injury or change that a child might present upon arrival at school (bruise, scrapes, etc.). Incident reports will be provided to a parent or guardian when they arrive to pick up a child. In the event that we deem it necessary based on the injury, a parent may be called to either pick up the child or examine the child. The parent or guardian is always required to sign the incident report and a copy is sent home with them to review for their records.

### **Discipline**

German ISD staff is trained to use a positive method of discipline and guidance that encourages self-esteem, self-control, and self-direction. For example, staff praise and encourage good behavior instead of focusing only upon unacceptable behavior. They also remind children daily of behavioral expectations by using clear, positive statements and redirecting behaviors.

German ISD staff will never use corporal punishment or negative discipline that may hurt or humiliate a child.

Giving children understandable guidelines and redirecting their behavior helps them to develop internal control of their actions, encouraging good behavior. When these discipline procedures fail to result in a positive outcome, or if the safety of other students is in question, German ISD reserves the right to terminate enrollment at any time.

### **Biting**

Biting is a common issue in early child development. The best way to combat biting is addressing the issue consistently both at home and at school. Biting occurs for multiple reasons, therefore proper communication will help determine why a child engages in this behavior. Should it arise, German ISD will work with parents to address and solve this issue.

### **Toileting and Diapering**

At German ISD, children are not required to be toilet trained by a specific age. We believe that a child should begin toilet training when he or she is physically and psychologically ready. Parents and teachers should be alert to signs of readiness, and discuss an individual plan together. We will continue the toileting process here once it has begun at home.

Children in diapers are changed as needed. To prevent the spread of bacteria, German ISD only allows the use of disposable diapers/pull-ups at school.

### **Field Trips**

Parents will be given prior notice. Prior permission for any field trip is required in order for the child to participate.

### **Holidays**

Holidays and vacations generally follow the Carrollton/Farmers Branch ISD school calendar. Parents are responsible for arranging alternative care for their children on non-school days. German ISD holidays are noted in the current German ISD calendar.

### **Lunch & Snacks**

German ISD strongly encourage parent to bring their own lunch from at home and encourages this decision by a 50% discount of the volunteer hours!

German ISD provides lunch as well as morning and afternoon snacks to students who chose, and pay the additional fee (see page 9). Lunch is served between 11:30 am to 12:30 pm. Each monthly lunch plan is posted on the entrance to our lunch room.

Water will be made available to the children throughout the day.

We encourage parents to provide a lunch bag for your child! **The packed lunch bag should include enough food and a variety to feed your child a morning and afternoon snack and a healthy lunch!**

**Every student needs to bring a water bottle with fresh-filled water daily!**

We are not able to warm up any lunches. All lunches need to be packed in an insulated bag and container for the food to stay cold and/or warm!

If you decide to bring lunch from home but forget to provide it, German ISD will charge \$10 for providing snacks and lunch that day!

### **Daily Lunch**

At German ISD, the staff and children set the table and sit down together for healthy meals. This experience provides the children a space for a warm, family-like atmosphere and conversation. The children also have the opportunity to exercise age-appropriate responsibilities (such as putting their dishes away).

If families decide to bring their lunch from home, it needs to include a healthy morning snack, a nutritious lunch, and afternoon snack if the student is signed up for extended care.

### **Birthdays (please ask your child's teacher for the Birthday list of foods to bring)**

Birthdays are special occasions. If you wish to participate in your child's special day at school, please let your child's teacher know in advance. Any special treats must be for all the children in the class and should be healthy. Please don't bring in any cake with icing!

#### Our recommendations:

- Wiener and bread or Bretzeln
- Pound cake (no icing)
- Muffins
- Butter croissants
- Fruit salad
- Yogurt with cereal

### **Parties**

All holidays and parties will be included in the school calendar circulated at the beginning of the school year. Some parties or events are scheduled during the school week to correspond with the date of an event or for planning purposes. Children are encouraged to participate in parties scheduled on the days of the week when the child

## Policies for German International School of Dallas

is enrolled. Due to staffing and ratio restrictions, children may not attend parties held on dates when the child is not enrolled. Parents/guardians are fully responsible when they are present.

### **Toys from home**

We ask that children's toys stay at home, unless they are brought in for a pre-arranged sharing at group time ("show and tell") planned in advance by the staff. Toys from home are difficult to share, and we cannot be responsible if they become lost or broken. We realize that this is sometimes difficult and suggest, as an example tactic, that if you can't leave the house without a special toy, you keep the special toy in the car during the school day. Comfort toys for nap are the only exception to the above rule, and should be kept in your child's cubby unless needed at difficult times.

Each year, German ISD dedicates the month of May as "toy-free school." Each classroom is without all toys during those last school weeks before summer break.

### **Water Activities**

Written parental consent is required before your child can participate in water activities, such as playing in a wading pool, sprinkler, or with a water table.

Children will be supervised by our staff at all times while involved in water activities in compliance with the requirements of the State of Texas.

### **Pet Care**

Some classrooms may have a class pet (e.g., bunny rabbit, guinea pig, fish, etc.), provided by the staff. The care of pets is a valuable experience for children. Children may help with the feeding of pets with staff supervision. Staff is responsible for keeping our pet's habitat (cages, aquariums, etc.) clean.

Please notify the administrative staff and your child's teacher if your child has any known pet allergies. You should also document any known allergies in your child's chart.

### **Breastfeeding Area**

German ISD supports all mothers who wish to breastfeed at our school. We will provide a quiet place where you can breastfeed.

### **Gang-Free Zone**

Under the Texas Penal Code, any area within 1,000 feet of a child care center (including German ISD) is a gang-free zone, where criminal offenses related to organized criminal activity are subject to enhanced penalty.

### **Additional information**

Copies of the Rules of Minimum Standards for Registered and Licensed Child-Care Homes are available in the office for parents to review. Our most recent registered inspection report by the State of Texas is always available.

Parents can contact their child care local licensing office at 214-583-4253.

The child abuse hotline for the State of Texas is 1-800-252-5400.

**Policy Changes**

Parents will be notified of policy changes or any other upcoming events in written communication from German ISD or through posted notices on the information board located in the school hallway.
